

What is the Wolves Girls Centre of Excellence?

The centre is supported by the Football Association and falls into the player pathway*

(see below)

It runs as a partnership between the centre of excellence, WWFC and Wolves Women.

This centre competes in the FA centre of excellence fixture programme for the Midlands. We compete against Aston Villa, Birmingham City, Coventry City, Kidderminster Harriers, Shrewsbury Town, Leicester City, Stoke City, Nottingham Forest and Derbyshire. This ensures high quality competitive opportunities on a regular basis. England Scouts visit the sessions on a regular basis to ensure that players can continue to move up the player pathway.

Who can be involved?

The centre runs squads for U10 to U16 age groups.

We are therefore looking for players currently
in school years 3-10.

Players with football experience in girls/boys teams
will have an advantage, however we are keen to see
players with no competitive football experience who
have shown talent in sports.

How does it work?

The trials will be held in two different stages (phase 1
and phase 2). The following format will be applied:

Phase 1 (7th-12th June)

Open trials on the dates above will include sessions
on basic football ability, fitness and match play. There
will then be decisions on who has made it to the next
phase. Players from the 09/10 season will not be
involved in this section of the trials. All players will be
informed by 16th June if they have made phase 2.

Phase 2 (17th-21st June)

There will be various sessions delivered by the
coaching staff and a trial match. After this final
decisions will be made on each squad by all of the
coaching staff within the centre. This will involve
players from the 09/10 season and players who have
shown potential in phase 1.

**ALL PLAYERS, SELECTED OR NOT, WILL BE
INFORMED BY WEDNESDAY 30TH JUNE**
