# Away Supporter Information

*2019/20*

This guide has been created to provide away supporters (also known as visiting supporters) with information about your visit to Villa Park as a supporter of the visiting team.

**Other than the result, we hope you have an enjoyable visit to Villa Park!**

# Your allocation

The away fans section at Villa Park is located in the north east corner of the Doug Ellis Stand. The allocation is split in to two areas:

- Doug Ellis Lower – Block Q  
1,800 seats approx.
- Doug Ellis Upper – Block P  
1,300 seats approx.

For cup matches, in order to comply with competition regulations your allocation may include other areas of Villa Park.

# Please help us to give you your full allocation of seats

In order for your club to receive your full entitlement of seats, it is necessary for you and your fans to conduct yourselves in line with ground regulations when visiting Villa Park.  
These regulations include:

- When watching the match remain seated at all times.
- Ensure that gangways and aisles are kept free from obstruction at all times.

Please observe any requests from club personnel. Should the supporters of any club fail to comply with ground regulations and or instructions from club officials, it is likely that local authorities will impose restrictions on the number of tickets we are able to allocate you for future fixtures. Our Ground Regulations can be found at the end of this document.

# Turnstile layout

Doug Ellis Upper P – use turnstiles P87, P88 or P89 for the upper tier. From ground level there are several flights of stairs to reach the upper concourse area (64 steps in total).  
  
Doug Ellis Lower Q – use turnstiles Q91 to Q96 for the lower tier.

Late arrival - should you arrive after kick off, then turnstiles Q96 and / or P89 will remain open until the second half has started.

## Barriers on entry – possible ticket inspection

In the interests of your safety and to ensure that only those with valid tickets gain admittance to the seating areas, we will, on occasion, use a barrier system at the turnstiles. These barriers help us to

ensure that persons are in the correct area and in possession of a valid match ticket. Please have your ticket ready for inspection when requested.

## Access for disabled fans

At present, we are unable to offer wheelchair spaces for visiting supporters within the visiting supporters' allocation. Our away allocation of wheelchair spaces are based within the Trinity Road Stand, and can be accessed via R44 wheelchair entrance located on the stadium map. There are eight wheelchair spaces with adjacent seats for personal assistants. We have no wheelchair user facilities within blocks P & Q, so any fans arriving in wheelchairs for these areas will be unable to gain admittance to the stadium.

Within the visiting supporters section of seats, we would recommend the following:

**Visually impaired** spectators can have free access to match commentary provided via earpieces that can be used from anywhere within the visiting supporters section. We also accommodate assistance dogs (in line with guide dogs for the blind association guidelines). An additional seat will be required (free of charge) to ensure there is room for your dog, and this needs to be obtained at the time of purchase from your club. We would recommend using the front row A of Doug Ellis Lower Q or the front row AA of Doug Ellis Upper P if an assistance dog is needed.

**Ambulant disabled** fans should look to be accommodated on the front row of Doug Ellis Lower Q. You will encounter eight steps at the vomitory to reach the front row from the concourse area.

The away area is usually a vibrant and noisy space on matchday, so any fans with **non-mobility related disabilities** should look for the front row AA of the Doug Ellis Upper P, as this is likely to be the least congested area.

An accessible toilet is located in the Doug Ellis Lower Q concourse area, accessed via a RADAR key.

Parking for visiting disabled supporters is available on the away coach park. Away clubs will be sent an allocation of permits which need to be purchased in advance from that club. Please note that accessible parking cannot be purchased on the day of the game.

For more information, or to book match commentary or parking please contact us on 0333 323 1874.

## Sale of alcohol

The club is licensed to sell alcohol in the Doug Ellis Lower – Block Q only (alcohol will not be available in Doug Ellis Upper – Block P). Please note that no transfers can be permitted.

There are some matches where we will not be licensed to sell alcohol to away fans (local derbies, for example). In addition, there will be some clubs we will play (on account of their conduct on previous

visits to Villa Park) where we will have been unable to secure a license from the local authorities.

If you wish to find out if alcohol will be available for your club's visit then please call us in advance on 0333 323 1874. In order for us to continue and / or provide alcohol during your visit, please help us by complying with ground regulations for the duration of your visit.

## Match programmes

We advise visiting supporters in Doug Ellis Upper Tier – Block P to purchase a match programme from the official programme kiosks located on Witton Lane prior to entering the stadium. Due to limited facilities within the Upper Tier concourse area it is not always feasible for us to sell programmes.

## Family Fun Zone

We welcome all families to Villa Park, home and away, and we would love to see you in our Family Fun Zone. The Fun Zone is a facility for families to enjoy a range of free activities for up to two hours before kick-off on weekend fixtures.

If tickets are left for collection by your club this ticket office will open approximately one-and-a-half hours prior to kick off. The visitors' ticket office is located on Witton Lane opposite the away coach park.

Should you receive tickets from players, we would ask that where possible, you make arrangements with the player to be in receipt of your tickets prior

to making your journey. If a player on arrival at the ground asks us to leave tickets for collection, we will take them to the visitors' ticket office at our earliest opportunity.

The visitors' ticket office will close just after kick off, and any uncollected tickets will be available from the enquiry window at the Villa Village ticket office located in the North Stand car park (see map on page 6).

## No smoking

Villa Park stadium complies with the legislation which restricts smoking, this is banned in the stadium and all buildings owned or operated by Aston Villa FC. The ground regulations issued by the club extend this prohibition to artificial cigarettes, which are commonly known as e-cigarettes. Any reference

to smoking thus also includes e-cigarettes. Birmingham City Council officials visit the stadium on occasions to check compliance with the legislation, they are authorised to impose instant fines on anybody smoking.

your visit. We reserve the right to refuse admission to any flag or banner Please get in touch in advance so we can confirm arrangements and avoid disappointing you on the day of the match.

## **Bags and / or luggage**

Small bags should be OK to take in to the stadium. The contents will be examined by a steward as you enter Villa Park.

Larger bags and / or luggage cannot be taken in to the stadium. There is insufficient room and such

items will inhibit spectator movement. Unfortunately, we are unable to offer any kind of storage facility for bags, back packs or luggage deemed too large to enter the stadium. Where possible, please do not bring any kind of bag.

## **Camera System - Beware!**

Football heightens people's passions and sometimes that translates into poor behaviour which affects the enjoyment of others. To counteract that we have a Dallmeier camera system installed that is able to capture all live and historical incidents in fine detail.

From the throwing of flares or coins to unnecessary gestures or signs the camera sees it all and has proven to be a powerful tool to promote safety and security. The system allows our match day safety team to quickly spot perpetrators and take immediate action.

In addition, the quality of the images provided by the camera system gives authorities such as the Police and / or the Courts absolute certainty of the individuals identified and the actions they have taken at the match. Several fans have let off flares in the away end over the last few seasons – EVERY one of these fans has now received a banning order from the courts.

Please support your team with the passion they deserve, but in line with the Ground Regulations at all times.
