

SUPPORTER GROUP REGISTRATION GUIDE

In preparation for the potential return of fans to matches from October onwards the club is asking season ticket holders who do not share the same household but who wish to attend the same matches to register such groups.

Initial capacity calculations indicate that it will not be possible to accommodate all of our season ticket holders within Molineux during the initial process of gradually returning fans to matches. Therefore 19/20 season ticket holders will be randomly split into groups based on household address. We are however aware that some supporters who do not share a household will be dependant on each other to attend matches. For example, a parent and child may not reside at the same address but would need to be allocated into the same season ticket holder group.

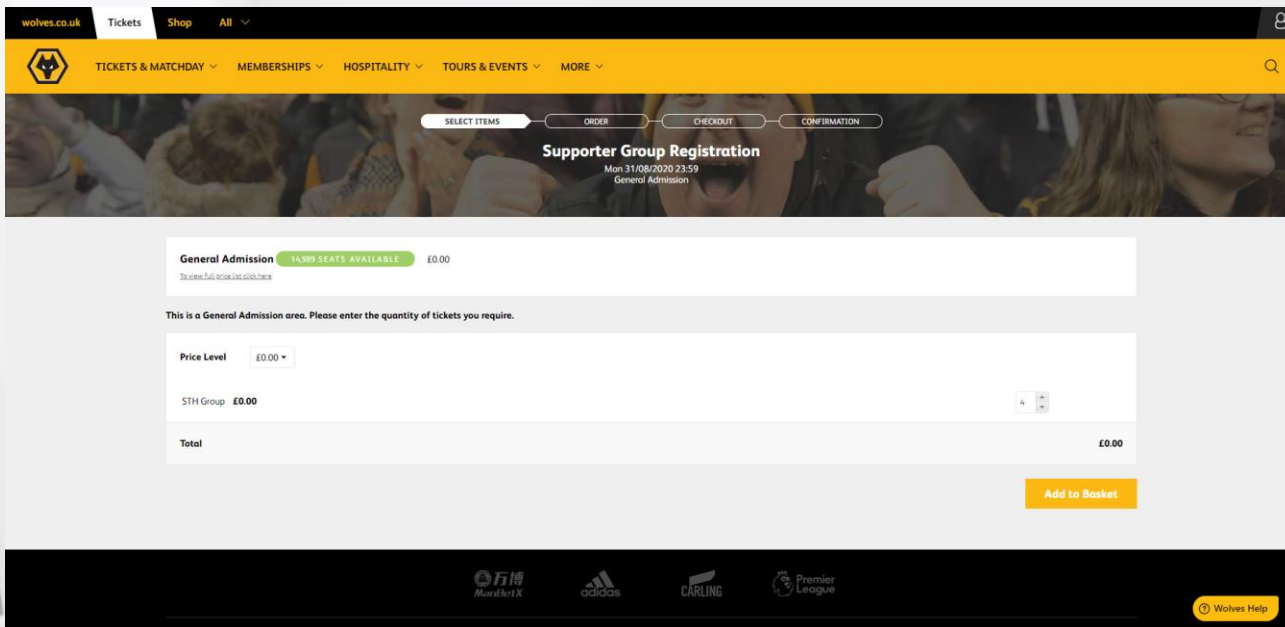

Step 1 – Ensure you are logged in and that the supporters you wish to register with have been added to your ‘friends and family group’

Step 2 – on the tickets.wolves.co.uk homepage select the option for ‘Supporter Group Registration’

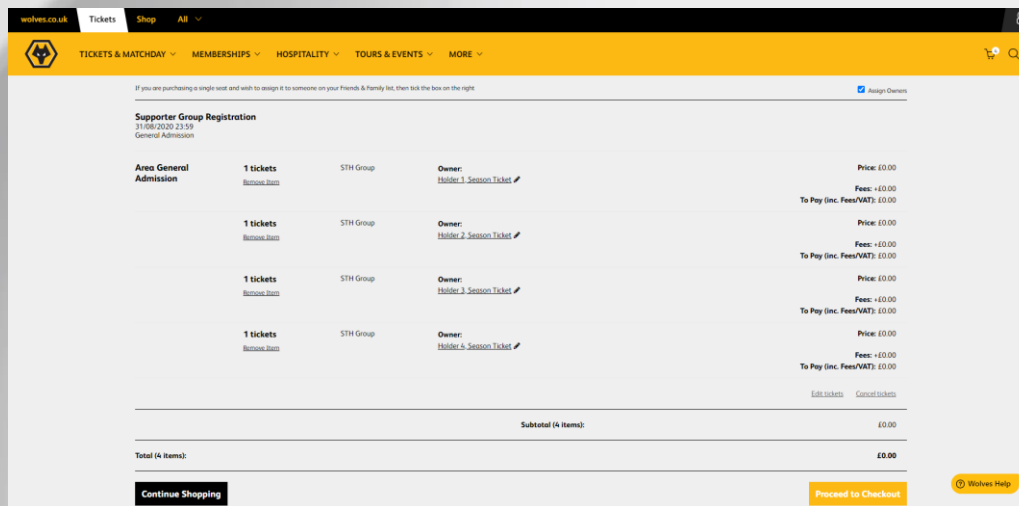

Step 3 – When presented with the registration product click the ‘BUY’ option

The screenshot shows the Wolves.co.uk website interface. At the top, there is a navigation bar with 'wolves.co.uk', 'Tickets', 'Shop', and 'All'. Below this is a yellow header with the Wolves logo and menu items: 'TICKETS & MATCHDAY', 'MEMBERSHIPS', 'HOSPITALITY', 'TOURS & EVENTS', and 'MORE'. A search icon is on the right. The main content area is titled 'HOME MATCH TICKETS' and includes a note: 'Tickets for the home games will be listed below once the 2019/2020 Premier League season resumes. Tickets sold via this page are for home supporters only.' Below this are four buttons: 'On Sale Dates', 'Buying Tickets Safely', 'STH's Buy Your Seat', and 'Accessible Seating Guide'. The 'Supporter Group Registration' product is featured, with a 'Buy' button. A green 'Plenty of tickets' badge is present. The product description states: 'If you were a 2019/2020 season ticket holder and wish to register to be grouped with other season ticket holders from outside of your household address please do so here. You will need to select a ticket for each supporter that you wish to add to your group and assign the ticket to their supporter number. Registrations must be completed within a single transaction. A maximum of 8 supporters can be registered within a group. Each season ticket holder can only be registered within 1 group, prior to proceeding please read the registration guide by clicking the 'Guide' button. Click 'Buy' to begin registration.' The footer contains logos for 'Wolves', 'adidas', 'CARLING', and 'Premier League', along with a 'Wolves Help' button.

Step 4 – Select a ‘ticket’ for each supporter you wish to register within the group. For example if you are registering a group of 4 supporters, then select 4 ‘tickets’

Step 5 – Assign each ‘ticket’ to each individual supporter within the group

Step 6 – As you are only registering supporters to form a group, no tickets will be required, the delivery method will display as 'No Delivery' click next to proceed to checkout
