Emergency Procedures

Evacuation

In the event that the stadium has to be evacuated either fully or partially **Operation Anfield** will be implemented. Announcements will be made over the public address system and all supporters are requested to follow the instructions and directions given by club stewards, security and the police. A separate plan to evacuate those club officials/players in Zone 1 will also be implemented.

Code Purple

In the unlikely event that a significant terrorist attack takes place outside or in the vicinity of the stadium the emergency plan **Operation Lockdown** will be implemented and no further access to the stadium will be permitted. Announcements will be made over the public address system requesting all persons outside the stadium to leave the area immediately and to those inside to remain where they are. A separate plan to secure the safety of those club officials/players in Zone 1 will also be implemented.
