

Merchandise Cash bonus payments for existing season ticket holders

Thank you for purchasing a 2017/18 season ticket during the Early Bird window. Despite a fantastic response and increase in season ticket holders we did not quite hit the target to trigger the part-refunds.

As a result season ticket holders that purchased before the Early Bird deadline will again receive a Merchandise Cash Bonus determined by how many seasons they have consecutively held their season ticket for.

The Merchandise Cash will be paid over two instalments (for those who have held a season ticket for 6+ years consecutively) and automatically credited to your account.

You can redeem on any product in store or online at wolvesmegastore.co.uk including replica kit, gifts and matchday programmes.

Remember you'll earn 10% for everything you spend in store or online so you can accumulate your cash or use to make a saving on your next purchase.

Thank you for your continued support and loyalty.
