# Travelling to Yerevan

## By air

Due to the short notice of the fixture being confirmed, we will not be running any official travel to this fixture.

The main city airport in Yerevan is Zvartnots airport located 14km (20 mins drive) from the stadium. The only means of transport from the airport to the city centre are bus or taxi. Supporters can travel with the Airport Express (EliteBus) between the airport and the city. This bus takes 30 to 40 minutes to Yeritasardakan metro station, on the edge of the city centre close to Freedom Square. Buses run every 30 minutes and cost 300AMD for a single ticket.

The airport is the only realistic means of access to Yerevan as the borders from neighbouring Turkey and Azerbaijan are closed.

## Vazgen Sargsyan Republican Stadium

65 Vardanants Street, Yerevan 0070

Due to the insufficient size of their stadium for UEFA competition, FC Pyunik currently rent the 14,290 capacity Vazgen Sargsyan Republican Stadium.

The stadium is located approximately 2km from Yerevan city centre, around a 25 minute walk. Taxis are readily available and take around 7 minutes to get to the stadium. Your hotel should be able to arrange a taxi for you.

All spectator access is via a gate on the west side perimeter of the stadium. Wolves fans will be located in the North East corner, this section is not segregated externally but is enclosed by a metal fence. The fence will not obstruct the view for supporters. Wolves supporters will access the stadium by turnstiles 1 to 5.

# Useful information

Armenian currency is the Dram which is difficult to purchase in the UK. Cash machines and ATMs are available in the arrivals area of the airport and are also located throughout Yerevan city centre. Most UK credit or debit cards are accepted in stores and restaurants in Yerevan

English is not widely spoken in Armenia, however most hotel staff will speak good English. We recommend using hotel staff to assist in booking taxis for you, agreeing a price before the journey.

Yerevan is a safe city and FC Pyunik fans are welcoming and friendly, however fans are advised to take the usual precautions when travelling abroad and to be respectful to locals

## Searches / Prohibited Items

Metal detector wands will be used on turnstiles upon entry to the stadium. Bags will be allowed into the stadium but will be searched before entering through the turnstiles.

No bottles of any kind will be permitted inside the stadium. Other prohibited items are the usual items as seen in the UK.

Alcohol will not be served at the stadium.

Following the full time whistle, Wolves supporters will be asked to remain in their seat for 10 minutes to allow the external area to clear.

## Disabled Supporters

FC Pyunik will provide 7 spaces for supporters who require use of a wheelchair, and their carer. These tickets will be located in a shared facility with home supporters. Entry will be via the North West gate, adjacent to the turnstiles.

## Recommended pre-match areas for Wolves supporters

It is advised that the Republican Square in Yerevan city centre is a suitable location for Wolves supporters to gather. Republican Square is close to a number of bars and restaurants and is approximately 2km from the stadium.

# Important contact details

Wolves staff will be on hand in Yerevan ahead of the game to provide a ticket collection service.

Wolves will also provide staff and stewards who will be located at the stadium to provide a familiar face on the day of the game.
