How to get to King Power Stadium

Leicester City Football Club provides services and facilities for supporters with disabilities (full details of which are in this access statement) with the Club's own dedicated stewarding team on hand to help make the most out of your matchday experience.

The Club look forward to welcoming you to King Power Stadium. All queries prior to your visit should be directed to the Club's Supporter Liaison and Disability Access Officer, Jim Donnelly, or Supporter Liaison Assistant, Donna Reynolds. Call **0344 815 5000 (Option 4)** or email **disability@lfc.co.uk**

.....

Transport links are a key benefit to the location of King Power Stadium, and there are several modes of transport available to fans travelling, including:

TRAIN - Leicester Train Station is approximately 1.2 miles from King Power Stadium, which is a five-minute car journey.

To walk from Leicester Train Station, exit the station, cross London Road at the traffic lights, turn left and then follow the road to King Power Stadium around to the right. Keep the Central Ring Road (Waterloo Way) on your left as the path separates from the road and stay on this path as it crosses New Walk. The path then rejoins the pavement, where you will be able to see Nelson Mandela Park. Turn right onto Lancaster Road and walk through the park, heading for the crossings by the public toilets. Cross Welford Road and turn left, following the road around to arrive at King Power Stadium.

For information on travelling to King Power Stadium by train, visit: **www.nationalrail.co.uk**
www.eastmidlandstrains.co.uk

BUS - A number of bus services run from Leicester city centre to King Power Stadium, stopping five minutes away from the stadium on Aylestone Road. Most buses in Leicester are low floor vehicles, meaning they can be lowered to pavement level once the bus has stopped. All buses include wheelchair spaces.

For details on bus routes to Leicester, visit **travelineeastmidlands.co.uk**

CAR - The M1 and M69 Motorways interchange at Junction 21 (M1), where you should exit and follow the signs for the City Centre via the A5460. After three miles, turn right onto Upperton Road, follow the road down until you get to the Liberty Statue Island and take the fifth exit down Western Boulevard. You will then see King Power Stadium on your right-hand side.

Parking - King Power Stadium offers four car parks, two which are on-site and a further two off-site (but within close proximity to the ground).

There are 68 bays in total which are allocated for Blue Badge holders. These need to be booked in advance by calling **0344 815 5000 (Option 4)** or by emailing **disability@lfc.co.uk**

- All LCFC car parks are open air/surface
- The average dimensions of the designated parking bay(s) are 360cm x 490cm (11ft 10in x 16ft 1in). This can vary, as not all bays have hatched markings
- The distances between designated parking bays and accessible entrances vary, but will usually be between 30 and 200 metres

While you're at King Power Stadium

Reception

Access to the reception area of King Power Stadium is gained via two sets of automatic doors. These open away from you and are of single width, providing an opening gap of 2ft 8in.

- There is level access to reception from the entrance
- The reception desk, although high (110cm+), does have a lower section
- The reception desk is generally staffed
- The lighting levels are bright
- There are fixed hearing loops and portable loops available on request

Hospitality

• Entry to hospitality areas is obtained through the Hospitality Entrance, located to the right of Reception. Access to the Hospitality Reception is granted via double doors which pull outwards, providing an opening gap of 5ft 3in. The doors are manned on a matchday.

- From the Hospitality Reception, access to all levels of hospitality can be gained via a lift which is 3ft 7in x 3ft 11in, with a clear door width of 2ft 7in.
- There is a fixed hearing loop

Foxes Fanstore

Foxes Fanstore at King Power Stadium is located on the corner of the North and West Stands, providing level access on entry. On a matchday, the Foxes Fanstore is extremely busy. Although a managed queuing system is in place at all times, if you'd prefer to visit at quieter times, the opening hours are:

- Monday – Friday: 10am until 7pm
- Saturday (non-matchday): 9am until 5pm
- Sunday: 10am until 4pm
- Matchday: 9am until kick-off, and then for 45 minutes after the final whistle

* Bank Holiday hours may vary. Please check LCFC.com

Within the Foxes Fanstore:

- Staff are available on the shop floor to assist
- There is a level surface throughout, with aisles generally wide
- Lighting is bright
- Background music is played throughout
- The main sales counter is 90cm high, without a lowered section
- The ticket counters are 101cm high, with one lowered counter
- All points of sale have a fixed hearing assistance loop
- There is level access to the changing rooms, with the largest changing room being 160cm x 300cm
- Accessibility queue and easy-access changing rooms are provided
- There is a fixed hearing loop
- Accessible doors allow wheelchair users to pass through freely.

.....

Multi-faith prayer room

King Power Stadium has its own multi-faith room. For more information, or to be taken to the multi-faith room, please speak to your nearest steward or customer liaison officer.

Stadium Access

All entrances into the stadium have step-free access. There are easy slopes along the outer concourses block-paving surface. On a matchday, the area around King Power Stadium houses:

- Independent food stalls and vans
- Mobile counters selling CITY Matchday Magazine
- A Bag Drop and Information Point, which is located on the north west corner of the ground
- Here to Help Staff, who'll answer any questions and point you in the right direction

When walking around local areas on a matchday, please stick to the pedestrian footpaths and avoid walking in the road – even if the pavement appears congested. This is particularly important on Aylestone Road and Narborough Road with the amount of fast-moving vehicles passing.

Details of known road closures throughout the season will be communicated via the Club's media channels at the earliest opportunity.

King Power Stadium is 3 miles away from Leicester city centre. The area around the stadium has level access, pavements, drop kerbs and are a mixture of tarmac and slab paving. If you have any questions, please tweet @lcfchelp

Additional Facilities at King Power Stadium

Facilities

At King Power Stadium, there are a range of facilities available for supporters with disabilities including:

Audio Descriptive Service

Designed for supporters with visual impairments, a specially trained team provides an account of all the matchday action. This service from the LCFC DSA (Disability Support Association) is free* to use for supporters, who can listen to the action through headsets available from the matchday staff entrance an hour and a half before kick-off. Headsets should be returned to the same location after the match.

To take advantage of this service, please email disability@lcfc.co.uk

*Failure to return the headset will incur an £80 fee – with deposit details taken on collection of the headset.

Catering

Catering is available in every stand throughout King Power Stadium, with level access provided to all food counters (all between 77cm – 109cm in height). Stewards can provide assistance when ordering food and drink, while plastic cutlery and cups are available with all purchases. The Club also offers accessible cutlery and hearing loops at each service point in all concourses.

Additional Information

Travelling away from King Power Stadium

Leicester City are committed to looking after all supporters when travelling to support the team. As such, the Club provide wheelchair-accessible coach travel to most away matches, as demand dictates.

Each coach is fully stewarded, with hot and cold beverages along with snacks, available to purchase.
